## About Adecco Supply Chain & Logistics

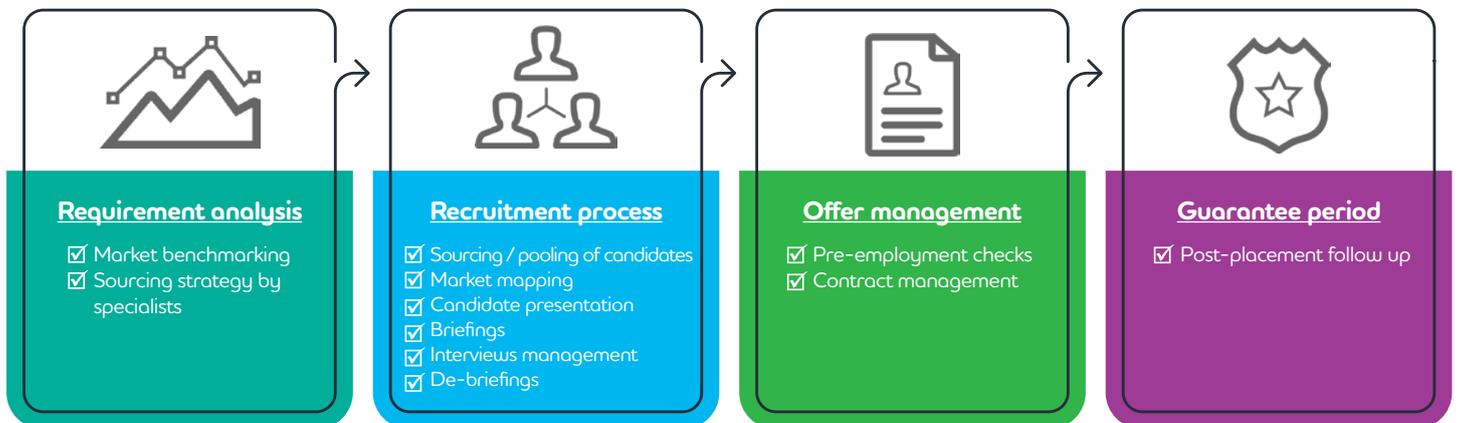

Supply chain is a broad function that is always changing, whether you are looking for a candidate who have full capacity of handling P2P or vendor management, or even looking for a senior role for future strategic planning, we can find the right candidate for you. At Adecco, we handle entry level to senior level roles, regularly recruiting professionals who specialise in **supply chain and procurement, merchandising, logistics and warehouse management, engineering and technical planning** etc. We can also provide some temporary workers/blue collar workers if you have any contingencies.

The professionals we represent are not only sourced locally but also through our extensive global database. In addition, you will benefit from our strategic workforce advice. We aim to find you the perfect match.
