Overview

The Hudson Contractor Zone is a cloud based solution that represents a significant and exciting technology update from Hudson and will ensure that your Timesheet and Expense entry, the Approvals and Payment functions are simple and efficient.

The Portal enables you to update your details on an ongoing basis, to review information about your job(s) and to access documents and news or updates from Hudson in a central location.

The Dashboard is your Home Page and provides a summary of your Timesheets, Expenses and Profile details.

The following User Guide provides instructions and FAQs on how to navigate through the new system transforming the ease and efficiency with which you engage with Hudson.

As a Hudson contractor, you can login to the Portal by visiting the following webpage:

<https://hudsoncontractorzone.com>

Note: For an optimal user experience, it is recommended that **Google Chrome** is utilised as the web browser.

System Overview

Employee Self-Service

Enables you to update your details as and when required, to review information about your job(s) as well as access documents and news from Hudson.

Timesheets

Enables you to submit timesheets for approval and payment. On the Dashboard: click on '**Log Time**' or select the relevant timesheet for the appropriate week ending. You can also access all timesheets, including future and archived timesheets via the '**Timesheet**' tab.

Expenses

Enables you to submit Expense claims and attach receipts.

NOTE: this function will only be available if the job you are allocated to permits business related expense reimbursement.

On the Dashboard: click on '**Log Expense**' or select the relevant Expense for the appropriate week ending. You can also access all Expenses via the 'Expenses' tab.

Getting Started

Hudson will set up your access on the system. You will automatically receive an email with your login details.

If you have not received a system login email, please contact the Hudson's Customer Experience Team.

The **Customer Experience Team** are available between the hours of 7:30am & 5:30pm AEST / AEDT | 9:30am & 7:30pm NZST / NZDT via phone or email.

Phone

Australia: 1300 137 346

New Zealand: 0800 724 376

OR

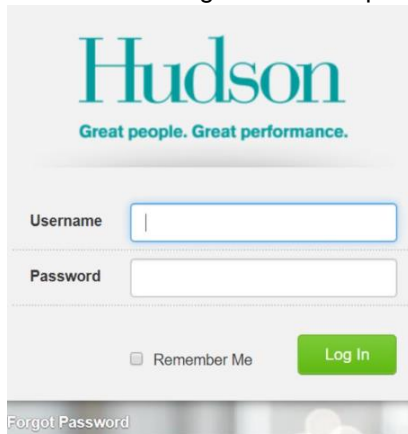

Email: payroll@hudson.com

Alternatively, you can reach out directly to your Hudson Consultant.

The new user email will provide you with your username and password. It will also direct you to the relevant link (URL).

Logging In

1. You will see a login screen as per the screenshot below.

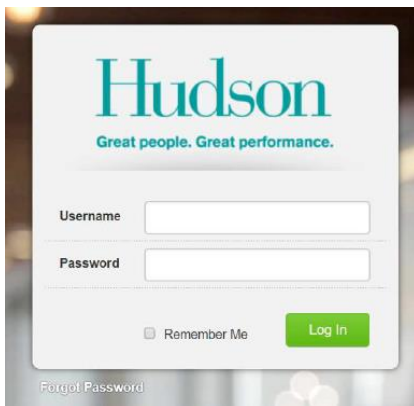

- If you forget your Username or Password, select '**Forgot Password**'.
 - You can then enter your username or email address and your details will be sent to your registered email address.
2. When logging in you may be presented with Terms & Conditions or communication updates that Hudson require you to review and accept.
 3. Once logged in, you can change your password in the '**Profile Section**'. You are not able to change your username.

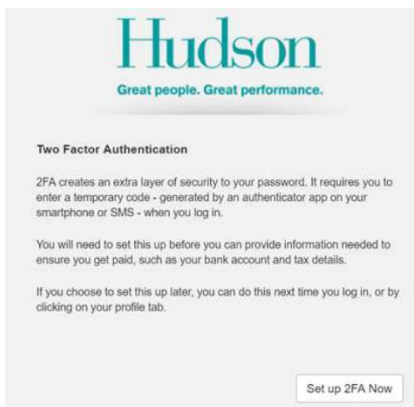

4. You will also be required to utilise 2FA (two-factor authentication) security. 2FA ensures that your personal details are protected from unauthorised access. 2FA will only be prompted when accessing your profile and is not required when submitting timesheets.

Two Factor Authentication Instructions

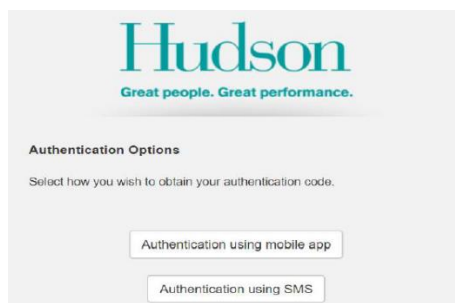

1. Log in to the Contractor Zone.

2. The portal will launch the set-up wizard to guide you through the process.

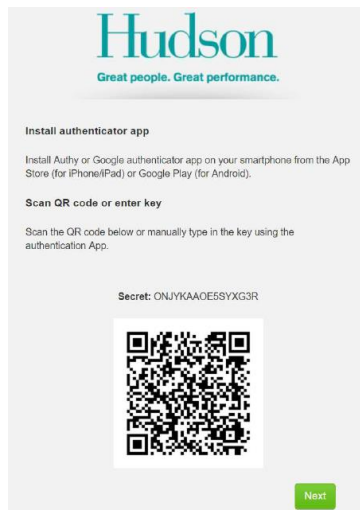

3. Select which option you would like to use to generate your 2FA code.

Mobile Application Authentication Steps

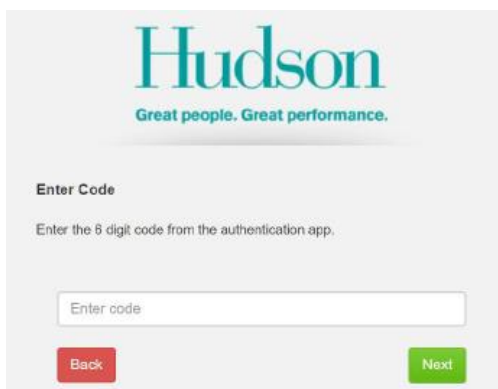

1. When **'using mobile app'** is selected, you will be directed to the below screen that shows a QR code and Secret key.

2. The authentication process currently supports the Google Authenticator and Authy apps. To proceed with the setup, you will need to download one of these apps onto your smart phone or device from the App Store (Apple/iOS devices) or Google Play (for Android devices).

Once an authenticator app is installed, the QR code displayed on the setup screen can be scanned directly to link the device. Alternatively, the Secret key can be manually typed in. Click **'Next'** once the device has been linked to continue with 2FA setup.

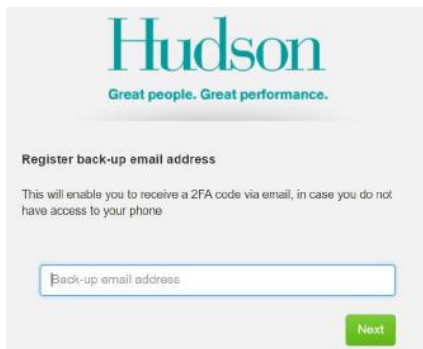

You will be prompted to enter the six-digit code from the authenticator app to verify the link.

- The code in an authenticator app will regularly expire and change after a certain time. It is important to ensure that the **blue** code displayed in the app is the code entered. An invalid code will be flagged on screen and will need to be reentered correctly to continue.

- Once the authentication code is entered, click '**Next**' to move onto setting up a backup email address.

The screenshot shows the 'Register back-up email address' screen in the Hudson application. It features the Hudson logo at the top, followed by the text 'Register back-up email address'. Below this is a subtext explaining that this will enable receiving a 2FA code via email. There is a text input field labeled 'Back-up email address' and a green 'Next' button at the bottom right.

- Once you have entered the code to verify your back up email address, click '**Next**' and you will be taken to your Dashboard.

The screenshot shows the 'Two factor authentication set-up is now complete' screen in the Hudson application. It features the Hudson logo at the top, followed by the text 'Two factor authentication set-up is now complete.' and a green 'Next' button at the bottom right.

- You can manage the details of your 2FA configuration under **Profile>Security Settings**.

Using SMS Authentication Steps

- If the option to set up 2FA using SMS is selected, you will need to register your mobile number in the field provided then click **'Next'** to continue.

Please note that the system will only accept Australian or New Zealand mobile numbers. International mobile numbers are not supported. If you do not have an Australian or New Zealand mobile number, you will need to restart the 2FA setup process and select the authenticator app method instead.

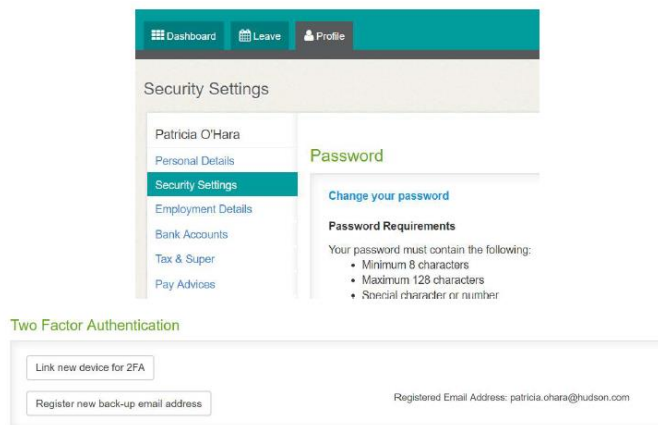

Once the mobile number is entered and validated, an SMS containing a 4-digit verification code will be sent to the registered mobile phone number.

- Enter the 4-digit code you receive via SMS to verify your mobile number then click **'Next'**.

- Once you have entered the code to verify your back up email address, click '**Next**' and you will be taken to your Dashboard.

- You can manage the details of your 2FA configuration under **Profile>Security Settings**.

Using the Backup Email Address to Authenticate

If you are temporarily unable to access the device that you have linked to 2FA, you can use your backup email address to receive a verification code.

From the 2FA verification screen:

- Click **Recovery Options > No access to 2FA device temporarily**. This will prompt an email notification to be sent through containing a one-time authentication code.
- Type the code into the 'Enter code' field and click '**Next**'.

Cannot Access Backup Email Address

If you are unable to access your back up email address or don't know which email you have set up, please contact the Customer Experience Team to request a reset of your details.

Change 2FA Option

If you wish to change the method you have selected for 2FA (SMS to mobile app or vice versa), please contact the Customer Experience Team to request a reset of your details.

Dashboard

The Dashboard is the home page of the system and provides a snapshot of available functions. It is a quick way to access commonly used tasks.

Here you'll find up-to-date information about the employees assigned to you, their respective job(s), and all related timesheet(s).

Timesheets

You will be required to submit Timesheets on a **WEEKLY** basis. Contractors and Temporary staff that previously submitted timesheets on a fortnightly frequency are now required to lodge **weekly** timesheets.

Hudson Online Timesheets

Typically, this will be a 'Monday to Sunday' Timesheet cycle with a submission and approval due time of **7:30pm AEST/AEDT & 7:30pm NZST/NZDT** every Monday.

Once you have submitted your timesheet, an email notification will be delivered to your Timesheet Approver to authorise your time worked. Your Approval Manager is required to complete their review and approval by **7:30pm AEST/AEDT & 7:30pm NZST/NZDT** every Monday.

Non-Hudson Online Timesheets (Tenrox, Fieldglass, Skillstream, Beeline, Comensura, TimeLive, 3SS etc)

Typically, this will be a 'Monday to Sunday' Timesheet cycle with a submission and approval due time of **2:30pm AEST/AEDT & 4:30pm NZST/NZDT** every Monday.

Once you have submitted your timesheet, an email notification will be delivered to your Timesheet Approver to authorise your time worked. Your Approval Manager is required to complete their review and approval by **2:30pm AEST/AEDT & 4:30pm NZST/NZDT** every Monday.

Timesheet Status	Description	Action Required
Not Opened	Timesheet information has not been entered	Complete and submit your Timesheet by the due day and time
Pending Submission	Timesheet has been started but not yet sent for approval	Complete and submit your Timesheet by the due day and time
Pending Approval	You have submitted a Timesheet that is awaiting approval	Follow up with your Approver to ensure that your submitted Timesheet is approved by the required day and time
Ready for Interpretation	Your submitted Timesheet has been approved and is awaiting payroll processing	No action required
Payment Authorised	Your Timesheet has been processed through payroll and is ready to be paid	No action required

Entering Hours on a Timesheet

When you open a Timesheet, you will note that each day offers the ability to add a new '**Time Block**'. A time block allows you to allocate your hours worked against specific jobs, pay rates or projects.

For example, you could allocate a time block of 9am –12pm to a specific job, project and pay rate.

Then you could allocate another time block of 12pm –5pm against a different job, project and pay rate.

Click on **'New Time Block'** against a day.

1. **Job:** If you are working on multiple jobs, you will be able to select the relevant job from the drop-down list, otherwise a new block will automatically be created for your current job.

Wed 21 Aug	New block					

Once the Job or Project is selected you will have the option to add:

- Start time (e.g. 9:00am)
- Finish time (e.g. 5:00pm)
- Breaks (e.g. 45 minutes)
- NZ Leave e.g. Annual, Sick, etc. Select the appropriate leave category and the applicable leave time taken. *Please note Australian Contractors are not eligible to accrue or apply for leave*
- Allowances – (if allocated to you), select the appropriate allowance type
- Notes – free text information for your recruiter or approver. For example, worked Wednesday & Thursday this week; Client meeting etc.

You can also press **'Copy Down'** which copies all of the information from a previous Time Block onto the remaining weekdays on the timesheet.

If you need to add more time to the same day, you can press **'New Time Block'** and enter information for a specific time block. Alternatively, you can separately add time blocks for the rest of the week.

Adding Timesheet Attachments

You can add attachments to a timesheet (manual timesheet or kilometers travelled form etc.) by clicking on the Attached Files **'Add'** button.

Submitting Timesheets

Submitting a timesheet is very simple.

- If you **haven't worked for that week**, rather than not submitting the Timesheet, you can tick the '**did not work for this period**' check box. This will prevent any further Timesheet reminders being sent to your registered email address.
- You can also advise Hudson via the Timesheet if your employment finishes by ticking the '**My employment finishes this week**' check box. This will inform the Payroll Team that your current job is ending.
- If you have **sustained a reportable workplace** injury during the working week, note this on your Timesheet. The Timesheet defaults as "I did not sustain a reportable injury this period". However, if you did sustain a reportable injury, select "**I did**" from the dropdown list. This should be completed in conjunction with the Hudson WHS (Work Health & Safety) protocol. Please contact your Consultant in the first instance if you have sustained an injury during working hours.
- If you have entered in hours on one Timesheet for a job, pressing '**Submit**' will send your Timesheet to your approver via email to be approved.
- If you have entered in hours on one Timesheet for multiple jobs, pressing '**Submit**' will bring up a list of the jobs contained on that timesheet. Select the jobs you would like to submit the Timesheets for and click '**Confirm**'.
- If you only submit one timesheet from a selection of multiple available timesheets, the remaining timesheets will be saved and retained in the Pending Submission status.

The screenshot displays the 'Timesheets for This Week' interface for the period 3rd Nov, 2014 - 9th Nov, 2014. The main table lists timesheet entries for each day of the week, including dates, start/finish times, breaks, allowances, notes, and total hours. A modal dialog titled 'Select Jobs to Submit' is open in the center, showing a table with two jobs selected for submission:

	Current Status	Status After
<input checked="" type="checkbox"/> Pool Centre, Dandenong Road	Not Opened	Pending Approval
<input checked="" type="checkbox"/> Council Finance Department	Not Opened	Pending Approval

The dialog includes 'Cancel' and 'Confirm' buttons. The background interface shows a sidebar with options like 'Not Opened', 'PDF', 'Print', 'Save', and 'Submit', as well as sections for 'Jobs in Timesheet', 'Attached Files', and 'History'.

Missing Timesheets

If you are unable to see a Timesheet for your current week, it is likely that the end date for your job has lapsed and Timesheets will no longer be available for completion and submission.

Please contact your Consultant or the Customer Experience Team (as per the details below under '**Contact Us**') to extend the end date of a current job.

Once a job has finished and all Timesheets are completed, you will no longer be able to access 'active Timesheets'. You will still be able to access information within the Contractor Zone Portal and **Timesheet history** for all jobs under **Profile>Job Profiles>Inactive Jobs**.

Resetting a Timesheet

Once you have submitted a Timesheet, you will no longer be able to edit it.

If the Timesheet is Pending Approval, the Approver may reject the Timesheet.

Once the timesheet has been approved, it can only be reset by a Portal Administrator at Hudson.

For assistance with resetting a timesheet, please contact the Hudson Customer Experience Team as per the details below under 'Contact Us'.

Automated Email Reminders

You will receive the following email reminders related to your Timesheets:

1. Friday afternoon – First submission reminder: please remember to complete your Timesheet for the week previously worked. Hudson Online Portal Timesheets need to be submitted & approved by **7:30pm AEST/AEDT & NZST/NZDT** every Monday. VMS Online Timesheets need to be submitted and approved by **4:00pm AEST/AEDT & 6:00pm NZST/NZDT** every Monday.
2. Monday 9am – Timesheet submission reminder: if you have not yet submitted your Timesheet please ensure that your Hudson Online timesheet is both submitted and approved by **7:30pm AEST/AEDT & NZST/NZDT** today. VMS Online Timesheets need to be submitted and approved by **4:00pm AEST/AEDT & 6:00pm NZST/NZDT** today.
3. Monday 12.30pm AEST/AEDT & NZST/NZDT – Approval Reminder: your Timesheet Approver will be reminded of any outstanding timesheets to be reviewed and approved.
4. Monday 12.30pm AEST/AEDT & NZST/NZDT – Approval Reminder: you will be notified if your submitted Timesheet has not been approved (contact your Timesheet Approver to ensure your timesheet is approved by the due day and time).
5. Timesheet Approved/Rejected: you will be notified via email when your timesheet has been approved OR if your timesheet has been rejected and is required to be resubmitted.
6. If a Timesheet has not been actioned by 12.30pm AEST/AEDT & NZST/NZDT Monday, the Primary Timesheet Approver will receive a system generated email reminder. If the Primary Approver has not actioned an outstanding Timesheet by 2.00pm AEST/AEDT & NZST/NZDT on

Monday, the Secondary Timesheet Approver will receive a system generated email reminder to review and approve any outstanding timesheets.

Expenses

Business incurred expenses can now be submitted electronically through the Contractor Zone. Please confirm with your Consultant or Manager whether you are eligible to claim expenses.

An expense claim is easy to complete and submit.

The following guidelines are required to be adhered to, to ensure accurate and efficient processing of your expense claims.

- Complete a **separate expense** claim for each week. For example, if you have expenses for the date range: 12th to 25th August, complete two (2) separate expense claims. Claim 1 for the week ending Sunday 18th August & Claim 2 for the week ending Sunday 25th August.
- Ensure that the supporting documentation is legible. Faded, blurred or illegible tax invoices, receipts, credit card or bank statements will take longer to process as all line items claimed must be substantiated as per statutory requirements.
- Review the GST amount for each item claimed. Some grocery items; kilometres travelled; overseas incurred expenses are GST exempt. Ensuring the GST amount is accurate or \$0 (for GST exempt items) will expedite the reimbursement process. In some cases where you have one receipt that includes both GST and GST exempt items, you will need to create two line items to record this correctly.

How to lodge an expense claim

1. Select '**New Expense Report**' - a box will appear requesting a name for your Expense Report (e.g. w/e 15/09/2019).
2. Insert the name for your Expense Report (e.g. w/e 15/09/2019) and click '**Save**'.

Report Notes

Complete the details in each field and click '**Save**'. You can then:

- Attach a copy of your tax invoices, receipts, and highlighted expenses on a credit card or bank statement as proof of purchase.
- Add additional Expenses by selecting '**New Expense**' and click '**Save**'.
- Click '<**Back**' if your Expense Report is incomplete or you are not ready to submit your expense claim for approval.
- Add any relevant notes relating to the expense claim.
- Click '**Submit Report**' to lodge your expense claim for approval.

Once an Expense is approved, it will be ready for payment by the Payroll Team. If an expense is rejected, you will be notified via email and the report will be available for you to edit and resubmit or delete.

NZ Temps – applying for leave

Leave can be submitted either on your timesheet or as a separate application under the Leave section.

Submitting leave on a timesheet (recommended if you are taking leave and also need to submit hours worked during the same week):

1. Click on '**New Block**' then on the drop down, select the Leave Type that you wish to take.

News and Documents

- When logging into the portal for the first time, you may be presented with important policies, documents or information relating to your job assignment that must be read and accepted before you enter your timesheets.
- From time to time, Hudson may add new policies or procedures that are required to be reviewed and accepted. Some company notices may need to be acknowledged and will appear in this section.
- You will be unable to navigate through the portal until the necessary action has been undertaken for documents that require review and acceptance.
- If you have any queries relating to your documents, please contact the Customer Experience Team as per the details in the '**Contact Us**' section.
- If you have trouble viewing a document or file or would like to keep a copy for your records, you can download the file by clicking on the corresponding link in the document title.
- To acknowledge that you have read and accepted the document/s, tick the checkbox underneath each of the documents. When you get to the bottom of the page, click '**Agree**'.

Resetting your Password

If you forget your Username or Password, select '**Forgot Password**' on the login screen.

You can then enter your username or email address and your new password reset link will be sent to your registered email address.

The screenshot shows a web form titled 'Reset Your Password' with the Hudson logo and tagline at the top. The form contains two paragraphs of instructions: 'Please enter either your username or the email address associated with your account, and your login details will be sent to you.' and 'If you don't know your username or associated email address, please contact your consultant for assistance.' Below the text is a single text input field. At the bottom of the form are two buttons: a green 'Reset Password' button and a white 'Cancel' button. A small link labeled 'Forgot Password' is visible at the very bottom left of the form area.

How will I receive my login details?

Hudson will set up your profile in the Contractor Zone. An email containing the URL and log in details will be delivered to your registered email address as per Hudson's current records.

If you have not received an email with your log in credentials, please contact the Customer Experience Team as per the details below in the '**Contact Us**' section.

Logging In

You will see a login screen as per the screenshot below.

- If you forget your Username or Password, select '**Forgot Password**'.
- You can then enter your username or email address and your details will be sent to your registered email address.

When logging in you may be presented with Terms & Conditions or communication updates that Hudson require you to review and accept.

Once logged in, you can change your system generated password in the 'Profile Section'. You are not able to change your username.

You will also be required to set up Two Factor Authentication (2FA). 2FA ensures that your data is secure and protected.

What is a 2FA?

2FA is a second-level of authentication. A password plus 2FA provides an extra layer of security that better protects your details from unauthorised access.

How do I set up 2FA on Astute?

There are 2 methods for generating the authentication code:

Via SMS **or** via a mobile app (Google Authenticator or Authy). You will need to download the Google Authenticator or Authy app onto your mobile device if you do not wish to use the SMS option. Step-by-step instructions are available in the **Contractor User Guide on Page: 5**.

Will all my information migrate to the new Portal?

Yes, all key information that is currently held in the old Contractor Zone will be migrated to the new portal. It is recommended that you take time to navigate through the new system and review your details in case there are any changes required.

How do I update my bank details?

Bank details can be updated directly in the new Contractor Portal. Changes will take effect immediately but if you require a change to be captured in the Thursday pay run, please ensure that your bank details are updated no later than Tuesday 10am AEST.

How do I update my tax information?

For Australian Contractors, you can complete the Contractor Zone online Tax Declaration Form which updates your tax details directly into the payroll system.

For New Zealand Temps and Contractors, the IR330/IR330c form is available in the 'Downloads' section in the dashboard. This is an editable PDF which allows you to download, complete, and email the form back to payroll@hudson.com.

How do I update my super / Kiwisaver details?

For Australian Contractors, you can complete the Contractor Zone online Super Choice Form. Once you click save, your super details are updated directly into the payroll system.

For New Zealand Temps, the KS1 form is available in the 'Downloads' section in the dashboard. This is an editable PDF which allows you to download, complete, and email the form back to payroll@hudson.com.

How do I update a change of name?

Please contact the Customer Experience Team as per the details below in the 'Contact Us' section if you have changed your name. Evidence will need to be provided prior to the change of name being updated within Hudson's records.

How do I complete a timesheet?

The timesheet submission process is similar to the current online Hudson portal. Please refer to the **Contractor User Guide on page: 13** for step by step instructions. All timesheets are required to be lodged on a **WEEKLY** basis.

Is there any change to the day I will receive payment for my time worked?

Provided your timesheets are submitted **and** approved by the due date and time, payment for your time worked will be made **WEEKLY** on Thursday as is the current payment process.

If you are currently paid on a fortnightly basis, you will now be paid on a weekly frequency.

How do I complete an expense reimbursement claim?

The expense claim submission process will be available online via the Astute Contractor Zone Portal. Paper based expense claims are no longer able to be submitted. All expense claims are required be lodged electronically. Please refer to the **Contractor User Guide on page: 17** for step by step instructions.

When will I receive payment for a reimbursement claim?

Once an expense claim is approved, payment will be processed into your nominated bank account in the next available pay run within seven (7) days of the date the claim was approved.

Will I still have access to the previous Contractor Zone?

No, the new Astute platform supercedes access to the previous Contractor Zone. All your existing personal details tax, super/KiwiSaver information will be migrated to the *new* Contractor Zone.

Once the former Contractor Zone is disabled on the 23rd of September 2019, you will no longer be able to access previous pay advices, RCTIs, BCIs or timesheets. If you require copies of previous pay advices, RCTIs or BCIs, contact the Customer Experience Team as per the details in the '**Contact Us**' section on Page: 26 of this document.

You will not be able to access historical timesheets once the previous Contractor Zone is disabled.

How do I access previous financial year Payment Summary or Income Statement documents?

For Australian Contractors, if you require copies of previous financial year Payment Summary or Income Statement documents, please contact the Customer Experience Team as per the details in the '**Contact Us**' section below.

What if my manager approving my timesheet is away?

Astute can only assign 1 timesheet approver. If an alternative Manager or Supervisor is assigned to authorise timesheets, email a request to the Customer Experience Team as per the details below in the 'Contact Us' section to temporarily change the Approver name and email address.
