

FAST RECRUITMENT

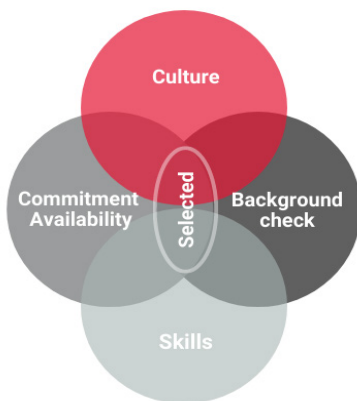

5 TEMPS IN 2 DAYS

THE CLIENT

The organisation is a leading direct to consumer retailer, incorporating TV shopping and catalogue shopping across a vast range of merchandise categories. They employ more than 1000 people. mme have been working with them for over 15 years.

THE BRIEF

In order to meet a seasonal spike in workload, they required 5 new skilled workers to start in 2 days. These contractors needed to be skills tested against a set criteria and available for the next 3 months.

THE RESULTS

The short timeframes meant mme used their active local database to source quality talent. Shortlisted candidates were skills tested and matched to the set criteria.

- The top 10% were selected
- All were skills tested, background checked & culture matched
- All commenced training 2 days later
- A 6th employee was recommended and subsequently hired
- All completed the full 3 month contract
